

2025 Summer Camp Information

We are so excited to have your child for Lupine Lane Summer Camps! They are in for adventurous fun, creativity, experiential learning and making new friends! We'd like to go over some key points with you to help prepare your child for camp.

What to Bring Every Day

These items are all required for each day your child attends camp.

- Backpack
- Full water bottle, labeled with your child's name. *If your child does not have a water bottle, they will be provided with a new, full water bottle to bring home and keep, and you will be charged \$20 to the card on file.*
- Morning snack, labeled with your child's name (if in after care, 2 extra snacks, labeled with your child's name)
- If packing lunch, the lunch box must be labeled with your child's name.
- Hat with a brim, labeled with your child's name
- Complete set of extra clothes in a Ziploc bag, labeled with your child's name
- If your child will be napping or resting while at camp, they must bring their own nap roll, labeled with their name, to remain at school for the week. Nap rolls are no longer required to come in a separate bag. All rest items must be taken home and laundered at the end of each week. Miniputs and Lilliputs have a rest and/or nap time. Travelers and Genre Camps do not need any rest supplies.
- If your child is in the Miniput camps and not potty independent, please send ample diapers and wipes for your child's time at camp.

Prior to Camp

It is wonderful to talk with your child about summer camp and what they can expect, especially if this is their first experience without you. You may wish to talk about all of the positive aspects to look forward to, like the camp's theme, the fun activities outlined in the attached Weekly Intentions, their teachers, making new friends, playing outdoors and creating projects.

Arrival

When arriving with your child, please park in the Highlands Village Welcome Center Parking Lot and bring your child in through the front doors of Lupine Lane. The doors will open at 9:00a.

Upon arrival, you can help your child find their cubby that will be labeled with their name on it and hang their backpack on the hook below.

If your child experiences big feelings about separating from you, it can become even bigger for them when the parent or caregiver remains for a long period of time or returns after leaving. We ask that everyone please keep drop off time to a maximum of 5 minutes. If your child is having any issues acclimating, a teacher will provide comfort and guide your child toward engaging with the other children and activities.

Departure

Please arrive promptly at 2p to pick your child up from camp, or 4:30p if your child is in after care. For the regular camp day, a late fee of \$25 will be assessed for pick up after 2:05p. For after care, a late fee of \$25 per each increment of 5 minutes after 4:30p.

At regular camp dismissal (2p), parents and guardians will remain outside the school, and a member of our staff will bring your child to you. Please keep your child at arm's length while on the school campus and when walking to your car.

At after care dismissal (2:15-4:30p), parents and guardians will be able to enter the building. Please ring the bell and wait to be buzzed in by the administration.

If someone other than yourself will be picking up your child, please provide Lupine Lane with written notice and include the person's name. Please let them know we will need to see their driver's license in order to release your child.

Camp Day

Our regular camp day begins at 9a and ends at 2p. We offer morning care from 8a to 9a and after care from 2p to 4:30p. However, a child must be enrolled in these options prior to the start of camp.

Please see the Daily Camp Schedules by age group below. These are general schedules and teachers adapt accordingly as the class community may require. However, the basic tenets of the schedules (centers, outdoor time, snack, lunch, rest/nap) are followed every day.

Please note, if your child exhibits any signs of illness at any point during the day, you will be contacted for a prompt pick up. We will expect you to pick up your child no later than 30 minutes from the time of the phone call. If you are unable to pick up your child, we will contact the person designated as an emergency contact.
